

*The American Cancer Society needed a unique and effective way to reach into underserved communities.
 At St. Andrew, we didn't just ask why. We enlisted the greatest minds.
 And then, We did something about it. SM*

WELLNESS SUITE®

A Multilingual, Interactive Community of Modular Health Education Touchscreen Kiosk and Web Programs Making People's Lives better.

PROGRAM ID & DESCRIPTION

AMERICAN CANCER SOCIETY – WELLNESS LINK®

A modular health education touchscreen kiosk and web based program delivering life saving information on cancer prevention and early detection resulting in lifelong wellness.

PROGRAM MISSION

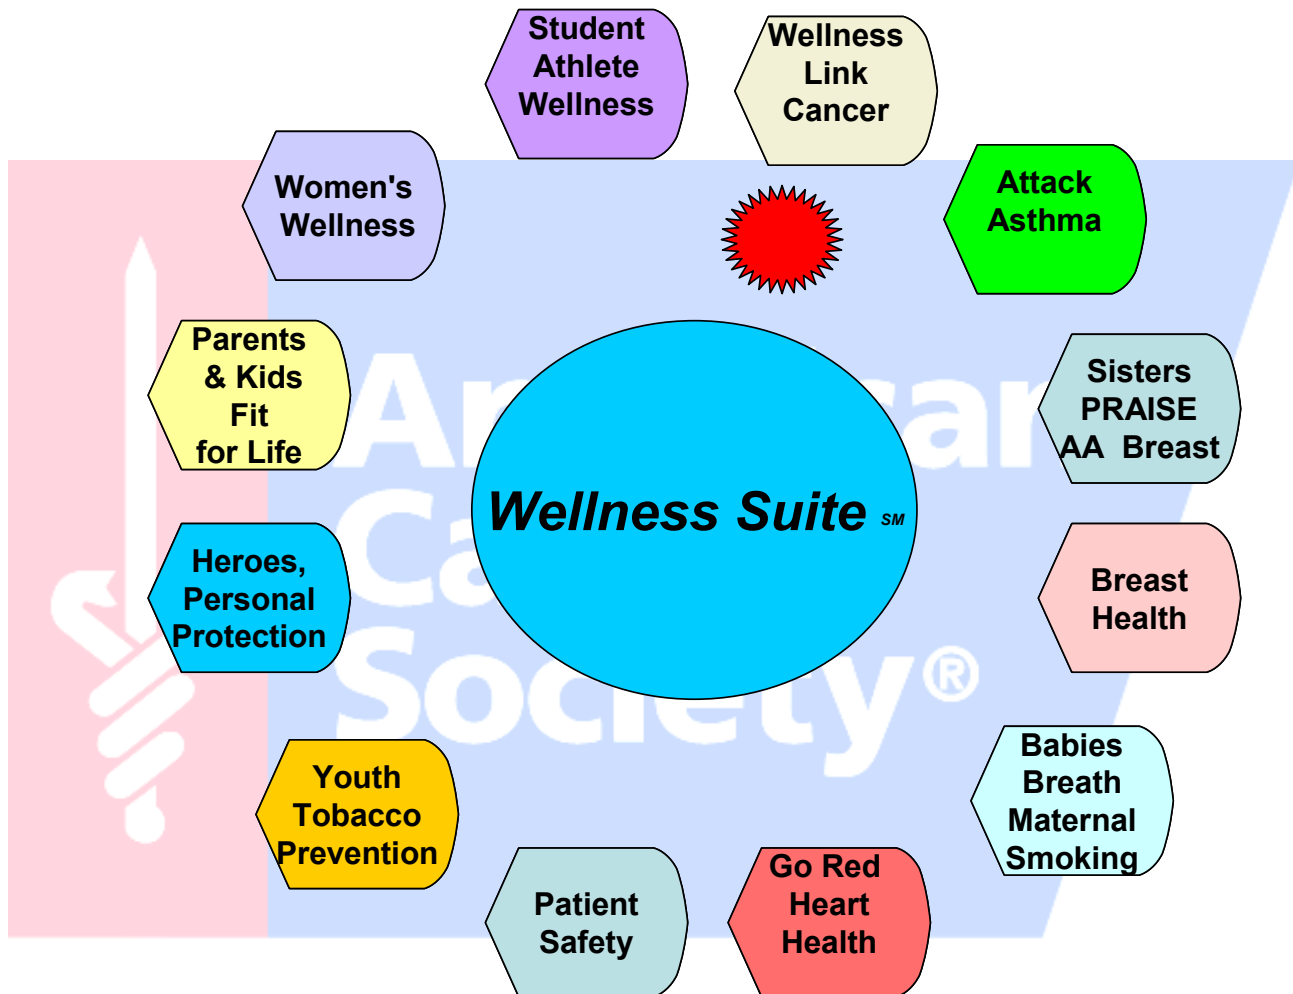

Educate communities about the life long benefits and importance of making proper lifestyle choices regarding cancer awareness.

PROGRAM BENEFITS

- **Powerful** – Engages target audience in a confidential, direct one on one setting using personalized health education touchscreen kiosks and the Web.
- **Simple** – Educates underserved communities on the value of healthy lifestyle choices and the resulting wellness benefits. Uses highly engaging images, graphics and audio narrations. Phone equipped for direct contact with the American Cancer Society and local resources.
- **Captivating** – Shows informative animations and videos emphasizing the life-long value of a wellness lifestyle.
- **Effective** – Independently developed assessment tools show that the program is extensively used and also influences users to favorably alter their behavior.
- **Outcome Based** - Offers program administrators the ability to retrieve full usage statistics detailing topics viewed (frequency), self-assessment tools (optional) and personal information (optional) directly from the web meeting HIPAA standards.

Wellness Suite offers a variety of modular health education program to our clients supporting flexible deployment strategies by using reliable, self-standing, easy to use touchscreen kiosks and web portals. For more information on how the **Wellness Suite** family of programs can help your organization reach into your community and influence health outcomes, contact St. Andrew Development today on the web at www.StAndrew.com, email at Wellness@StAndrew.com, or call 717-848-5818.

Wellness Suite SM Community of Health Education Touchscreen Kiosk & Web Programs
